

Business name	Business information	Website
8th Battalion The Rifles Army reserves	The Reserve forces play a crucial role in national security from countering security threats, peacekeeping and humanitarian efforts abroad to supporting communities at home. The training and skills gained in the Reserves can be used to improve performance in the workplace and can enhance skills in areas such as leadership, teamwork, communication and decision making often in challenging situations and environments. Many of the attributes expected from individuals while they are in the Reserves can be mapped across to the Civil Service Core Competence Framework. The experience you gain as a reservist is highly relevant to your career in the Civil Service and it can help you understand your career aspirations, support your development and your successful progression.	<a href="https://www.army.mod.uk/who-we-are/corps-regiments-and-units/infantry/the-rifles/reserve-rifles/">https://www.army.mod.uk/who-we-are/corps-regiments-and-units/infantry/the-rifles/reserve-rifles/</a>
