We have a **Carers Financial Wellbeing Coordinator**, dedicated to supporting Carers directly in improving their financial wellbeing. This role focuses on providing a range of services, including income maximization activities such as fuel and energy reviews, as well as enhancing access to benefits, grants, and bursaries, including support with applications.

The coordinator will also facilitate workshops and courses designed to boost financial awareness, knowledge, and resilience among Carers.

Additionally, they will strengthen partnerships with other organizations to ensure a comprehensive support network.

Don't hesitate to get in touch for individual, tailored support to suit your personal needs
